

Suja Life Announces Amended and Restated Credit Agreement

August 20, 2026

Refinancing reduces borrowing spread and lowers the Company's cost of capital

OCEANSIDE, Calif., Aug. 20, 2026 (GLOBE NEWSWIRE) -- Suja Life, Inc. (NASDAQ: SUJA) ("Suja Life," "Suja" or the "Company"), a leading better-for-you beverage company and maker of Suja Organic, Vive Organic, and Slice Soda, today announced entry into an Amended and Restated Credit Agreement (the "A&R Credit Agreement") with JPMorgan Chase Bank, N.A., as administrative agent, which amends and restates the Company's existing credit agreement originally dated August 23, 2021.

Under the A&R Credit Agreement, the applicable interest rate is the Term SOFR Rate plus 1.75%, 2.00%, or 2.25% per annum based on the Company's consolidated net leverage ratio.

"Reducing our cost of capital has been a priority for Suja Life since our IPO, reflecting a business today that supports a different lender base than the one that financed us as a private company," said Jeff Pedersen, Chief Financial Officer of Suja Life. "We believe that the consistency of our cash flow generation gave our lenders the confidence to back this refinancing on improved terms. Importantly, we are not taking on any additional debt with this transaction, but are reducing what it costs us to carry the debt we already have. This refinancing reflects our partnership with our banks and delivers a substantial reduction in our borrowing spread, with a corresponding benefit to our available cash flow." As a result of this refinancing, the Company expects its 2026 total interest expense to improve to \$18.0 million.

All forward-looking statements are subject to risks and uncertainties that may cause actual results to differ materially from those that we expected, including: our ability to maintain compliance with the financial covenants under the A&R Credit Agreement; changes in benchmark interest rates, including the Term SOFR Rate, that could offset the benefit of a reduced borrowing spread; our ability to generate sufficient cash flow to service our indebtedness; our inability to refinance our indebtedness on favorable terms or at all in the future; general economic conditions and disruptions in credit markets that may affect the availability or cost of debt financing; and the other factors set forth in our filings with the U.S. Securities and Exchange Commission (the "SEC").

We derive many of our forward-looking statements from our operating budgets and forecasts, which are based on many detailed assumptions. Important factors that could cause actual results to differ materially from our expectations, or cautionary statements, are disclosed under the "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" sections in our final prospectus filed with the SEC under Rule 424(b) on May 8, 2026 in connection with our IPO. filings and public communications. You should evaluate all forward-looking statements made in this press release and related conference call in the context of these risks and uncertainties.

We caution you that the important factors referenced above may not contain all of the factors that are important to you.
